

Amended FEC-237838; Amended the "covering period" date to accomodate payments transferred from a different report. As amended this report includes communications distributed on two consecutive dates 09/12/2006 & 09/13/2006. Amended some amounts to reflect refunds received after original report filed. The communications titles with the same distribution date are reported as such because one payment was a TV Buy and the other payment was TV production of that Buy as listed on original report. Costs for each particular communication are reported based upon the public distribution date and not the payment (disbursement) date.
